Malaria Information

Areas of Nicaragua with Malaria: Present in rural areas.

If you will be visiting an area of Nicaragua with malaria, you will need to discuss with your doctor the best ways for you to avoid getting sick with malaria. Ways to prevent malaria include the following:

- Taking a prescription antimalarial drug
- Using insect repellent and wearing long pants and sleeves to prevent mosquito bites
- Sleeping in air-conditioned or well-screened rooms or using bednets

Primaquine is the preferred antimalarial drug (only after G6PD testing) in Nicaragua. Atovaquone/proguanil, chloroquine, doxycycline, and mefloquine are alternative choices. For information that can help you and your doctor decide which of these drugs would be best for you, please see [Drugs to Prevent Malaria](#) on the CDC website.

To find out more information on malaria throughout the world, you can use the [interactive CDC malaria map](#) on the CDC website. You can search or browse countries, cities, and place names for more specific malaria risk information and the recommended prevention medicines for that area.

We will have a doctor write a malaria prescription for you and give you the prescription at one of our team meetings.

The Passport Services Office provides information and services to American citizens about how to obtain, replace or change a passport.

A passport is an internationally recognized travel document that verifies the identity and nationality of the bearer. A valid U.S. passport is required to enter and leave most foreign countries. Only the U.S. Department of State has the authority to grant, issue or verify United States passports.

New Application for a U.S. Passport

To obtain a passport for the first time, you need to go in person to one of 7,000 passport acceptance facilities located throughout the United States with two photographs of yourself, proof of U.S. citizenship, and a valid form of photo identification such as a driver's license.

You can download the application from the website and take it to the post office on 2800 South Adams. The phone number is 216-4334 if you have questions.

Acceptance facilities include many Federal, state and probate courts, post offices, some public libraries and a number of county and municipal offices. There are also 13 regional passport agencies, and 1 Gateway City Agency, which serve customers who are traveling within 2 weeks (14 days), or who need foreign visas for travel. Appointments are required in such cases.

You'll need to apply in person if you are applying for a U.S. passport for the first time: if your expired U.S. passport is not in your possession; if your previous U.S. passport has expired and was issued more than 15 years ago; if your previous U.S. passport was issued when you were under age 16; or if your currently valid U.S. passport has been lost or stolen.

Renewal of a U.S. Passport

You can renew by mail if: Your most recent passport is available to submit and it is not damaged; you received the passport within the past 15 years; you were over age 16 when it was issued; you still have the same name, or can legally document your name change.

You can get a passport renewal application form by downloading it from this site. If your passport has been, altered or damaged, you cannot apply by mail. You must apply in person.

A Typical Week in Nicaragua

Teams are usually scheduled from Saturday to Saturday. Flights from the US into Augusto C. Sandino International Airport in Managua arrive from lunch through early evening. After we claim our luggage and clear customs we will be met by a trusted driver with transportation for Leon (2 hour drive).

We will minister to the Twelve Churches in a variety of ways we have determined by meeting with each of the pastors as well as leaders in their churches.

Sunday's schedule includes attending/serving at a local church and preparing for the week's ministry.

Monday through Thursday, team ministry is determined by the team considering their gifts, yet strategically coordinated to build on the ministry of previous teams.

Supplies and funding for the week's ministry is provided by the team.

Friday after breakfast, teams leave Leon to tour Nicaragua. Potential tour sites include Masaya Volcano National Park, Lake Nicaragua, and the Managua zip-line over the lagoon of an inactive volcano. Shopping for local crafts at Masaya or Managua is also included in the day's events.

Friday (the last) night is in Managua. We will be staying at a hotel, Camino Real, which is three minutes from the airport and offers a continental breakfast and transportation to the airport as part of their package for a double room. The team banquet will be held in a private room.

In Leon, your housing fee covers lodging (sheets and towels provided), three meals a day prepared at the team hostel (plus one dinner at a local café on the Pacific Ocean or downtown Leon), translators, transportation, and purified water.

Attention Team Members,

Carefully read the following list of principles and expectations, and discuss them with the team leader and other team members for full understanding. If you are willing to make a commitment to this mission trip or project, sign the covenant as a pledge of your commitment.

While participating in this mission trip or project, I will seek to demonstrate my love for Christ and others by agreeing to.

1. **Represent Christ in a way that will build others up.** I will refrain from activities that may be considered inappropriate in some cultures (e.g., tobacco products, alcohol, gambling, profanity).
2. **Maintain a safe environment for my fellow team members.** I will not do anything that would potentially jeopardize the safety of the team or any member.
3. **Work to the best of my ability.** I am excited about demonstrating my love for Christ by ministering and working hard for the duration of this mission trip or project.
4. **Follow the mission trip or project schedule.** I understand that I must remain flexible because schedules often change. I also understand that any schedule changes must be made by or approved by the team leader or our hosts.
5. **Stay in the designated mission trip area.** I agree to stay with the team at all times. I understand that I cannot leave the ministry site or lodging areas without permission from the team leader.
6. **Respect the privacy of others.** I understand that the possessions of others must not be tampered with or taken. I will respect the lights out time each night. I will also respect others quiet time with the Lord.
7. **Maintain a clean environment.** I will do my best to keep all areas of the church, work location, and lodging areas clean and free of litter. I will respect the property and grounds serving as my home away from home. I understand that any property damage caused by me will be my responsibility.
8. **Demonstrate a Christ-like spirit.** My attitude will be like that of Jesus (Phil. 2:5). I will love those with whom I work and those around me throughout the mission trip or project. As Christ did, I will strengthen myself daily with prayer and quiet time.
9. **Be aware of my witness 24 hours a day.** I understand my attitude at restaurants, at my lodging site, or during free time is just as important as when I am “doing my mission assignment.” I will serve with this maxim in mind: “Do no harm.”
10. **Share my faith.** I will come prepared to share my personal testimony and faith with others as the opportunity arises.

I have read and understood these principles and expectations for the mission trip or project and agree to follow them.
